A NEW DIMENSION OF

GLORY

FASTING & PRAYER

21 DAYS

JANUARY 11-31

A NEW DIMENSION OF GLORY

“And we all, with unveiled face, continually seeing as in a mirror the glory of the Lord, are progressively being transformed into His image from [one degree of] glory to [even more] glory, which comes from the Lord, [who is] the Spirit.” 2 Corinthians 3:18

PAM

Last year, I believe the Lord spoke to us out of Hebrews 12, “that things are being shaken, so that the things which cannot be shaken may remain.” This time of shaking, moved us into a time of evaluation. This evaluation was mainly focused on personal evaluation. As we sincerely evaluated ourselves according to God’s Word and nature, it led us into a time of revealing. As we respond correctly to this revealing, hopefully it causes transformation.

This process does not end when the calendar changes to the year 2021. It is becoming a lifestyle. That is why I believe we will be experiencing A New Dimension of Glory in this year. We are being transformed into His image, from one degree of glory to even more glory. As we humble our souls during this 21 days of prayer and fasting, I believe we are setting our course for this new year.

My prayer is that each of us will experience a new dimension of glory in a variety of areas in our lives and ministries. The first Sunday of this year, I spoke about Joseph. The trials and testings he went through did not make him weaker, instead he became stronger. Our testings in 2020, have made us stronger. At Joseph’s appointed time his fruit and influence increased substantially. I believe we will experience this New Dimension of Glory and it will result in a time of MANIFESTATION. A time of realizing the fruit from the promises of God.

Be encouraged as you join with us as we pray and fast and seek the face of Jesus. Be quick to respond to the dealings of God. You will not be disappointed and the earth will be transformed.

The Practical: What do I do and how do I do it?

Each day ask yourself:

1. What am I giving up or abstaining from today so that I may better focus on the things of God?
What did I add to my life that will bring greater wholeness or spiritual depth to my life?
What did I do in the earth to advance the Kingdom of God in at least one life that touches mine?
2. Check the fasting calendar to see what foods the COTH family has elected to abstain from for this season and purpose to join in.
3. Check email and/or Facebook for practical ideas and discussions or contact a friend to discuss what you are learning -- this is a community effort, not a solo exercise.
4. Make extra effort to be at every prayer time and service.
5. If you forget, mess up, or just plain give up...don't let it keep you down or away. Just get up and start again.

Progressive Fasting Schedule:

One fasting option is the progressive fast in which some food categories or types are removed from the diet on specific days of the fast. As always, use wisdom in your fast and consult a medical professional when appropriate.

Days 1-7:

Abstain from caffeinated beverages and sweets

Days 8-14:

Abstain from caffeinated beverages, sweets, bread and rice

Days 15-18:

Abstain from caffeinated beverages, sweets, bread and rice, and meat

Day 19-21:

Abstain from all food except juice and water -- liquid only

Daniel Fast Guidelines

The background of the “Daniel fast” is that Daniel and his three friends had been “deported” to Babylon when Nebuchadnezzar and the Babylonians had conquered Judah (2 Kings 24:13-14). Daniel and his three friends were put into the Babylonian court servant “training program.” Part of the program was learning Babylonian customs, beliefs, laws, and practices. The eating habits of the Babylonians were not in complete agreement with the Mosaic Law. As a result, Daniel asked if he and his three friends could be excused from eating the King’s food (which was likely sacrificed to Babylonian false gods and idols). Daniel stepped out in faith believing God had called him to eat such a diet and would protect him.

Food guidelines for observing a Daniel Fast:

You have freedom to modify this fast according to your personal, physical and spiritual needs. You can modify these guidelines as you feel led by the Lord. The main thing is to decide ahead of time how you are going to apply the Daniel Fast, then stick to your commitment.

Daniel only ate things planted for harvest and drank only water. You may want to keep it simple and eat only fruit and vegetables and drink only water.

Fasting Tips to Help You Succeed

Some suggestions to make your fasting adventure more manageable:

1. Drink lots of fluids. Keep them on hand and cool if needed.
2. Prepare for fasting by eating lightly the day before you begin.
3. Develop a strategy to avoid food shopping and meal preparation for others.
4. Even as you set aside time to focus on spiritual things, do not sit around thinking about your stomach. Stay busy, plan ahead to have available what you can eat, etc.
5. At normal meal times, study your Bible and pray — even at work. —Snack on the Bible frequently.
6. Pray in the Spirit often, whenever there is opportunity.
7. If fasting a full day and skipping supper, plan for early bedtime to avoid the late evening munchies.
8. If you experience a period of weakness, try fruit juice to get a little sugar into your system.
9. Don't watch TV food commercials — they know how to hook you.
10. Apply spiritual authority to your body when it begins to “talk back.” Remember, the real you is the person on the inside; your spirit. Take authority!
11. Call a spiritual friend or mentor for encouragement.
12. Study fasting in the Bible and in Christian books on the subject. Education on the subject strengthens our resolve and sharpens our focus.
13. Bear in mind that short term fasting is both safe and satisfying and has been endorsed by various medical and health experts as being beneficial.
14. If you reach a point where you are about to give up your fast before you wanted to, try a liquid meal drink — this can often take the edge off enough to keep going.
15. Focus on the fact that the Head of our church, Jesus Christ, has led the way in fasting (40 days on one occasion), and has asked us to follow His example. God's Son would never lead us to harm, only to abundant living (John 10:10)
16. When breaking a fast, don't overeat or you will pay the price. Let your first meal be a light one and then snack later if you are still hungry.
17. Try to limit strenuous activities that will deplete the body of fluids during a fast. Moderate exercise is okay, but watch the heat levels.
18. Headaches can occur when fasting due to the purging of toxins that have been stored in your system. Pray, continue to drink plenty of fluids to flush your system, and feel free to take over-the-counter medication if needed.
19. If you blow it, don't spend time feeling condemned. Successful fasting is learned and practiced. God still loves you and your effort means more to God than not trying at all. You will succeed one meal and one day at a time!
20. A fast does not mean that you cannot eat out, many local restaurants have vegetable plates or salad options that can be modified to accommodate a Daniel fast. You do not have to give up social interaction that may occur over a meal, just focus on the fellowship and not the food.
21. Stay involved with the body as a whole. Allow yourself to be encouraged by others on this fasting journey - share ideas and recipes, pray for one another, etc. Phone calls, email, and the church Facebook group are all great tools to stay connected.
